

EcoMod Announcement for Special Issues:

Ecological Modelling is preparing three upcoming thematic special issues. If you would like to contribute a manuscript, then please contact the guest editor listed with that issue.

- 1. Mapping and Disentangling Human Decisions in Complex Human-Nature Systems (L. An: lan@mail.sdsu.edu);
Deadline February 10, 2011.**
- 2. Modeling Across Millennia: Interdisciplinary Paths to Ancient Socio-natural Systems (T. Kohler: tako@wsu.edu);
Deadline April 30, 2011.**
- 3. Climate Change and Marine Ecosystem Models (K. Rose: karose@lsu.edu and F. Werner: cisco@marine.rutgers.edu);
deadline July 31, 2011.**
