The Banco Central do Brasil in collaboration with the Federal Reserve Bank of Atlanta, the Bank of Finland, and the Journal of Financial Stability will organize the annual conference in mid-August, 2010 on “The Financial Crisis of 2008, Credit Markets and Effects on Developed and Emerging Economies”

Organizing and Scientific Committee

Carlos Hamilton Vasconcelos Araújo, Gerald P. Dwyer, Iftekhar Hasan, Benjamin Miranda Tabak and Jouko Vilmunen.

Authors are invited to submit theoretical or empirical papers on issues related to financial crises, particularly the most recent one, and to the potential overall stability and instability of developed and emerging financial markets, institutions, and economies. Topics include but are not limited to:

i) Financial market regulation, including systemic risk and its regulation;
ii) Monetary policy and financial crises
iii) Credit risk measurement, validation and stress testing;
iv) Immediate and lingering effects of financial crises on credit markets;
v) Economic drivers of credit markets;
vi) Macroeconomics of money market squeezes;
vii) Interaction between financial and real sector;
viii) Monetary Policy, financial stability and macroprudential supervision
ix) Expansionary fiscal and monetary policy and recovery from a crisis

Submitted papers should be sent to Benjamin Miranda Tabak (Benjamin.tabak@bcb.gov.br or benjaminm.tabak@gmail.com) and to Iftekhar Hasan (jfs@rpi.edu). Partial drafts will be considered but completed papers will be given priority. Electronic submissions with full contact details (Pdf/Word format) are preferred.

Submissions should be received by April 1 2010, REF: 5th Annual Seminar on Banking, Financial Stability and Risk. Authors of submitted papers will be notified of acceptance by June 30, 2010.). Travel expenditures of one author of each accepted papers will be reimbursed.

For those of you who are interested in submitting your paper for possible publication consideration in the Journal of Financial Stability, please submit your paper following the Elsevier procedure at the following website: http://ees.elsevier.com/jfs/.

Please mention about BANCOBRAZIL 2010 in the cover letter to the editor. All submissions will be considered through the normal review process without any submission fee. In case a particular paper is not a match with the journal’s mission and current objectives and goals, the Editors will inform the author within two weeks of the submission. Once sent to the reviewers, it usually takes around 6-12 weeks for the first round of reviews. For additional information, please contact at jfs@rpi.edu.
